

INTEGRATION OF NUTRITION IN HEALTH SYSTEM FINANCING

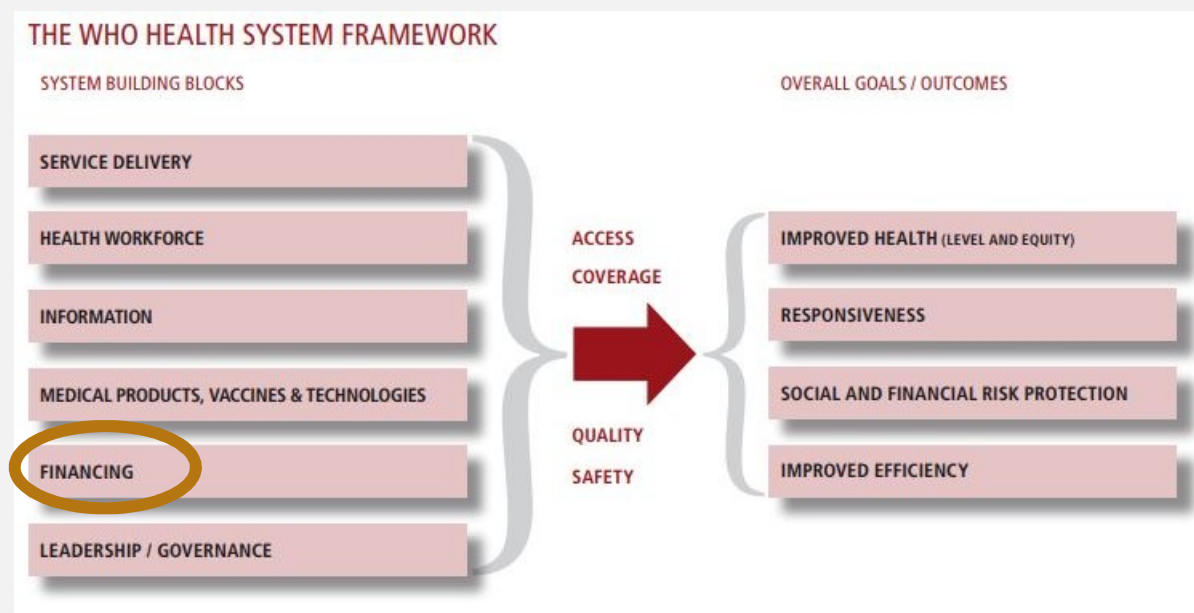

Sandeep Sharma

National Health Systems Resource Centre, MoHFW

FINANCING IN HEALTH SYSTEM

A health system consists of all organizations, people and actions whose primary intent is to promote, restore or maintain health.

This includes efforts to influence determinants of health as well as more direct health-improving activities. A health system is therefore more than the pyramid of publicly owned facilities that deliver personal health services.

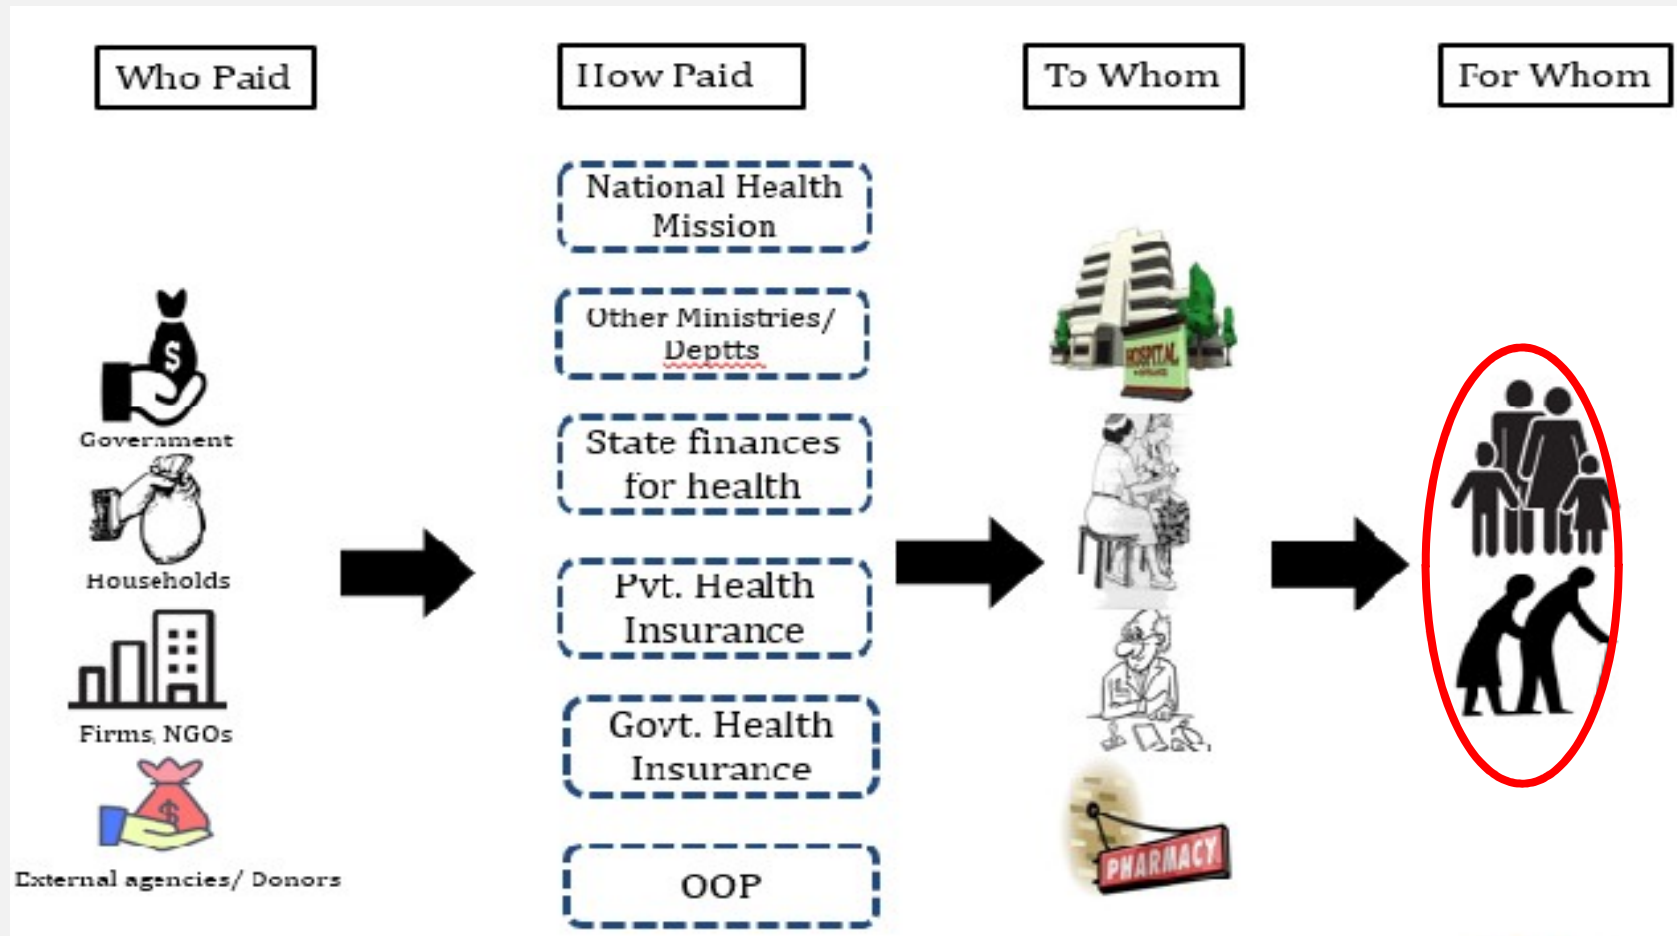

HEALTHCARE FINANCING

NATIONAL HEALTH ACCOUNT

CONTEXTUALISING NUTRITION CARE IN HEALTH FINANCING

□ Health Financing Data

- National Health Account: Expenditure on diseases due to nutritional deficiencies.
- Disease Specific Health Account: Diet Specific Diseases
- Out of Pocket Expenditure

□ Nutrition Data

- Defining Nutrition Expenditure: Across Departments Expenditure on Nutrition
- Limited evidence exist in terms of expenditure on Nutrition both at the National and State level.
- Govt Budget Tracking Exercises (Odisha, Rajasthan)

CHALLENGES AND WAYS AHEAD

Getting the Right Estimates

- Sources of funds.
- Getting the Estimates from different Government department.
- Household's Contribution.

Integrating Nutrition in Health Care

- Integrating Nutrition care with Universal Health Care.
- Nature of Health Intervention and Linking it with Nutrition initiative (VHND).

THANK YOU
